

Minutes – Faith Development Committee – January 29, 2007

Attendance: Judy Trickey, Marianne Abuselmi, Barbara Chiappetta

Purpose: A discussion with Judy concerning how the Committee relates to other workers in the Parish and to establish the types of programs that enhance Catholic Faith enrichment, addressing parishioners concerns re: world and personal issues.

Old:

1. Our first priority is to acquire more committee members.
2. Barbara discussed the success of the present Bible Survey Class and the order of meeting so ably conducted by Gail Belanger. At present 10 members attend. Presented were pros and cons of inviting more people to attend and how to accommodate them.

New:

3. Is there a need to add a more traditional Bible Study, a different format, ie chapter by chapter? What resources are available and who would lead were questions asked. Three people have expressed interest, Barbara stated.
4. Do parishioners want to share in a group setting personal issues such as annulment, divorce, interfaith marriage etc. using diocesan materials? All participated.
5. Judy commented on the “behind the scenes planning” necessary to promote and accomplish all group endeavors.

Respectfully submitted,

Barbara Chiappetta
