

**Family Life Meeting**  
**January 27, 2010**

**Bereavement:**

Mike is ready to pass on the responsibility of running the group.

Will call Family Life members who might be interested.

Mike will head the Feb. meeting on the 3rd and as many others as are needed until someone else takes over.

We are planning to hold a meeting to iron out the details of how to proceed.

**Food Pantry:**

The food pantry needs a light at the door (motion detector type).

The kitchen door also needs a light and could really use a new door and/or new lock. It's too hard to open.

**Helping Hands:**

There's now a line on the church phone, but it says "cancer support line".

**Family Life:**

Coffee and doughnuts will be Feb. 21st after 10:30 Mass.

Need to find out how much to get: boxes of joe and doughnuts from D&D and some juice for children.

Family Swim Night and Crop Walk will be discussed at next meeting, when hopefully more members will be in attendance.

**Next meeting- Thursday, Feb. 25**
